

GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

Water Resources Department — Medium Irrigation - Raiwada Reservoir Project - Estimate for "CDR to H.T Electrical line of Spillway Regulator of Raiwada Reservoir Project Devarapalli (V&M), Visakhapatnam (Dt)" for Rs.24,11,000.00/- Administrative sanction - Accorded – Orders - Issued.

WATER RESOURCES (Proj.I.A1) DEPARTMENT

G.O.RT.No. 694

Dated: 09-11-2015

Read the following:-

From the Chief Engineer, North Coast, Visakhapatnam, Lr No.CE/NC/VSP/DEE2/AEE8/1, Dt.08.07.2015.

In the references read above, the Chief Engineer, North Coast, Visakhapatnam has submitted that the Raiwada Reservoir Project was constructed across the River Sarada, and it is 3 km away from Devarapalli (V&M) of Visakhapatnam District. The length of the earth dam is 5.75 km and it has one Spillway regulator at right flank of the earth dam and two Head sluices, Left Head Sluice at km 3.300 and Right Head Sluice at km 4.050. The Spillway Regulator consists of 10 Nos. of vertical gates operated by electrical means. During the Neelam Cyclone the line was partially damaged in due course of heavy cyclones.

2. The Chief Engineer, North Coast has further submitted that the electrical department officials have inspected the site and suggested to lay new H.T electrical line along the dam bund and to shift the transformer from Devarapalli village limits to dam spillway location so that Maintenance of the electrical line shall come under the electrical department upto spillway and the maintenance shall be made easy, as the old HT electrical line was laid through jungle for which maintenance is difficult. As electrical power is necessary to operate the Spillway gates and keeping in view of the ensuing flood season it is necessary to complete the Shifting of Electrical line as early as possible.

3. The Chief Engineer, North Coast, Visakhapatnam has, therefore, requested to accord necessary administrative Approval for the work "CDR to H.T electrical line of Spill way regulator of Raiwada Reservoir Project, Devarapalli (V&M), Visakhapatnam Dist" for Rs.2411000.00/- at an early date so as to take up and complete the above work.

4. Government after careful examination hereby accord administrative sanction to the work "CDR to H.T electrical line of Spill way regulator of Raiwada Reservoir Project, Devarapalli (V&M), Visakhapatnam Dist" for an amount of Rs 24.11 lakhs (Rupees Twenty four lakhs and eleven thousand only) subject to meeting the said expenditure from the deposit funds of Greater Visakhapatnam Municipal Corporation, Visakhapatnam.

5. This order issues with the concurrence of Finance (WR II) Department vide their U.O.No.210/W&P II/2015, dated. 10-09-2015.
